Multilingual B2B sales and client relations: €150,000 in business volume generated at CheckYeti; a dormant portfolio of 811 companies re-engaged across some forty countries at Sideros — alongside a long-standing interest in markets and investing. Raised and schooled across four countries on three continents. Available full time for a six-month internship, January to June 2027, in finance, sales or business development.

PROFESSIONAL EXPERIENCE

International B2B Sales Assistant (internship) 06.2026 – 08.2026

Sideros Engineering · Podenzano, Italy — industrial machinery, exports to 50+ countries

- **Portfolio reactivation:** re-engaged 811 companies across some forty countries — prospects previously contacted but never converted, including leads collected at seven trade fairs. Around twenty qualified opportunities handed over to the sales team in two months.
- **Multilingual outreach:** 1,000+ messages written in French, English, Spanish and German across five industrial product lines; 6% response rate on cold outreach to a dormant base. Day-to-day work carried out in Italian.
- **Sales material:** produced the French version of the 94-slide commercial presentation and of several technical brochures, now in use with the company's French-speaking network.
- **Finance support:** invoice review — accuracy and consistency checks.

Written reference available from Matteo Callisardi, Sales Manager for the European export markets, Sideros Engineering.

Sales Representative (internship) 12.2024 – 06.2025

CheckYeti · Vienna, Austria — online marketplace for ski and outdoor activities

- Generated €150,000 in business volume on the French- and English-speaking markets through full inbound and outbound sales cycles; around 300 bookings closed.
- Single point of contact for clients across the whole cycle, from first enquiry to post-booking follow-up; negotiated partner offers.

VIP Client Relations — 24 Hours of Le Mans 06.2024

Ford Performance · Le Mans, France

- Hosted the brand's VIP guests throughout the race: continuous presence alongside clients, individual requests and unforeseen issues, in a setting where the quality of hosting reflects directly on the brand.

Other experience 2024

- **Renault** · Angers, France (summer 2024) — goods receiving, physical flow management and inventory tracking in SAP.
- **NEOMA Student Life Committee** · Reims, France — venue sourcing and negotiation of offers and partnerships for the programme's events.

MARKETS AND PERSONAL INVESTING

- Personal portfolio run for three years under written allocation rules: a cap per asset class, scheduled contributions, no selling before term.
- Equity index funds (MSCI World), a life insurance policy under discretionary mandate, fractional real estate. Tracked in Excel: allocation, performance, maturities.
- **Financial Markets** — Yale University (Prof. R. Shiller), Coursera, January 2026 · **Generative AI for Business Intelligence** — IBM, April 2025.

EDUCATION

BBA International Business — CESEM Programme, Italian Track 2023 – 2027

NEOMA Business School (Reims, France) x Università Cattolica del Sacro Cuore (Piacenza, Italy)

- Four-year French-Italian double degree in international business, taught in English and Italian; bachelor level. Three years completed.
- Final year at Università Cattolica, Piacenza (International Management, 60 ECTS, September – December 2026), followed by a compulsory six-month internship from January to June 2027.
- **Excellence Award (Dec. 2024)** — awarded by the CESEM Programme Direction for performance in international and intercultural negotiation simulations.
- Selected grades (French scale, out of 20): Microeconomics 19, Foundations of Investments 17.5, Applied Mathematics 16.5.

French Baccalaureate 2020 – 2023

Lycée Français de Vienne, Austria

- Schooling at the French lycées of Johannesburg, Singapore and Vienna, then university studies in France and Italy.
